

Dungeness Crab Task Force (DCTF) Noncommercial Fishing Representatives: Nomination Form

September 2019

If you are interested in representing sport fishing, crab processing, commercial passenger fishing vessel, or nongovernmental organization interests on the DCTF, **please complete this two-page nomination form by Monday, September 30 at 5pm and email your completed form to Paige Berube, paige.berube@resources.ca.gov.**

1. Name: _____

a. Phone Number: _____

b. Email Address: _____

2. Please select which seat you would like to represent (*please select only one*):

- a. Sport fishing interests, voting
- b. Sport fishing interests, non-voting
- c. Crab processing interests, voting
- d. Commercial passenger fishing vessel (CPFV) interests, voting
- e. Nongovernmental organization (NGO) interests, non-voting

2a. If you selected "crab processing interests, voting," please describe the size of the processing operation (small, medium, large), if you represent a buyer and/or processor perspective, and if you represent the picked meat and/or live market.

3. Please describe your experience and knowledge of the California Dungeness crab fishery.

4. Do you have previous experience in representing a non-commercial fishing seat on the DCTF? If so, please describe this experience. If not, please describe your interests in representing a non-commercial fishing seat on the DCTF.

5. Please include which geographic areas or port complexes you most often operate out of or feel that you will represent.

6. Please describe your approach in accurately representing others within the above selected constituency (e.g. sport fishing, crab processing, CPFV, or NGO interests) to contribute to the charge of the Dungeness Crab Task Force to review and evaluate Dungeness crab fishery management measures and provide recommendations to the State. For example, nominees for the sport fishing seat should be willing and able to share perspectives of other sport fishermen not on the DCTF.

7. The DCTF requires respectful and constructive communication, consistent participation, as well as collaboration among many perspectives, including commercial and sport Dungeness crab fishing, crab processing, commercial passenger fishing vessels, and nongovernmental organization interests. Please describe your approach to collaboration and communicating among diverse perspectives, and your availability to participate consistently in DCTF meetings.
