LA Co. Fire Department

Mike Stefanak
Assistant Chief
CA Dept. of Fish & Wildlife

UNDERSTANDING OUR MOST INTERESTING NEIGHBORS

California's great white sharks captivate our imaginations and instill a sense of awe. With interactions between humans and these magnificent creatures seemingly on the rise come join us to get the facts from the experts. We will hear some of the latest science on juvenile and adult sharks followed by a panel made up of scientists, lifeguards, managers and enforcement officers that will answer your questions and discuss how to keep us and the sharks safe.

TIME: 10AM - 12PM
DATE: Nov, 1, 2017

Stanley Mosk Library & Courts Bldg.
914 Capitol Mall, Room 500
Sacramento, CA 95814

Expert Panel
