

**California Dungeness Crab Fishing Gear Working Group**  
**RAMP Management Recommendations Form**  
**2019-20 RAMP**  
*September 2019*

The following recommendations form was developed during the Working Group's September 4-5, 2019 meeting to act as a guide for the key information to be conveyed when the Working Group makes a management recommendation(s) to the CDFW Director during the 2019-20 RAMP.

The [RAMP Guiding Principles](#) will be reviewed and considered in the development of management recommendations.

---
